Gabriel L. Imperato

Gabriel L. Imperato is the Managing Partner of the Fort Lauderdale office of Broad and Cassel and serves on the Firm's Executive Committee. He is a member of the Health Law Practice Group and heads up the Firm's White Collar Criminal and Civil Fraud Defense Practice Group.

- Mr. Imperato's personal practice includes representing individuals and organizations accused of health care fraud and assisting and advising health care organizations on corporate governance and compliance matters.
- Mr. Imperato is board-certified as a specialist in health law by the Florida Bar. He is also certified in Health Care Compliance (HCC) by the Health Care Compliance Association, where he sits on the Board of Directors. This national accreditation reflects a professional level of competence and expertise in compliance processes sufficient to assist healthcare business organizations to understand and address legal obligations and promote organizational governance and integrity through the operation of effective compliance programs.
- Mr. Imperato has extensive criminal, civil and appellate trial experience in administrative, state and federal courts and has personally handled leading national cases concerning criminal and civil health care fraud and abuse and health care law and policy.
- He has also handled numerous matters involving the formation of integrated delivery systems and managed care organizations. He is considered a national expert on fraud and abuse, reimbursement and antitrust matters in the health care field and has lectured and published numerous articles on these subjects.
- He has been instrumental in the development of the Firm's nationally recognized health law and white collar practice, which represents clients in Florida and throughout the United States.
- He has served as Deputy Chief Counsel, Office of the General Counsel, United States Department of Health and Human Services, Dallas, Texas. He advised and represented various agencies of the Department of Health and Human Services, including the Center for Medicare and Medicaid Services, the Public Health Service, the Social Security Administration and the Office of the Inspector General.
